## Chairman's Message

Dear Shareholders,

It is with great pride and optimism I share the performance of the past year, which has been a testament to our collective resilience, dedication, and ability to adapt in an ever-evolving business environment.

Despite the challenges we faced, I am delighted to report that our company has achieved a 7% revenue growth, a significant accomplishment that underscores our strong market positioning and the hard work of our employees, partners, and stakeholders. This growth reflects not only our commitment to innovation but also our strategic focus on expanding into new markets, enhancing our product offerings, and delivering exceptional value to our customers.

This achievement is especially noteworthy given the complexities of the global business landscape. Our team has demonstrated remarkable agility in navigating changing market conditions and delivering consistent results. The growth is a reflection of our ongoing efforts to enhance operational efficiencies, optimize our cost structure, and invest in areas that drive long-term sustainable growth.

I would like to take this opportunity to extend my deepest gratitude to our shareholders for your continued trust and support. Your belief in our vision has been instrumental in our success. I also wish to express my sincere thanks to our management team and employees for their dedication and unwavering commitment to excellence. Without their hard work, this achievement would not have been possible.

Looking ahead, we are confident that our company is well-positioned to continue its growth trajectory. We remain committed to enhancing shareholder value, expanding our market presence, and pursuing new opportunities that align with our strategic goals. We will continue to focus on innovation, operational excellence, and building stronger relationships with our customers and partners.

As we look to the future, I am excited about the possibilities that lie ahead and the opportunities we will seize together as a company. Thank you once again for your continued confidence and support. I am confident that, together, we will continue to build on our success and create lasting value for all our stakeholders.

With Best Wishes,

Mr. Sanjeev Harbanslal Bhatia

Chairman & Managing Director

- c) How to retrieve your 'initial password'?
  - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
  - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

- a) Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
- b) **Physical User Reset Password?** (If you are holding shares in physical mode) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
- c) If you are still unable to get the password by aforesaid two options, you can send a request at [evoting@nsdl.co.in](mailto:evoting@nsdl.co.in) mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
- d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

8. Now, you will have to click on "Login" button.

9. After you click on the "Login" button, Home page of e-Voting will open.

## **Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.**

### **How to cast your vote electronically and join General Meeting on NSDL e-Voting system?**

1. After successful login at Step 1, you will be able to see all the companies "EVEN" (E-voting Event Number) in which you are holding shares and whose voting cycle and General Meeting is in active status.

2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join Meeting”.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the Resolution(s), you will not be allowed to modify your vote.

#### **General Guidelines for shareholders**

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPEG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to [brawal1011@gmail.com](mailto:brawal1011@gmail.com) with a copy marked to [evoting@nsdl.co.in](mailto:evoting@nsdl.co.in). ## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This Report contains forward-looking statements that involve risks and uncertainties. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. Actual results, performances or achievements could differ materially from those expressed or implied in such forward-looking statements. This report should be read in conjunction with the included financial statements and the notes.

**ECONOMIC OVERVIEW, INDUSTRY STRUCTURE AND DEVELOPMENTS:****MACRO ECONOMY:**

The demand for a wide range of consumer durable goods is growing as a result of the ongoing increase in disposable income and technological innovation in India. This in turn is fueling fierce competition among the various consumer durable brands that are available across the country. India is viewed by multinational organizations as one of the primary markets from which future growth is likely to originate.

In F.Y. 2023 (April-November), electronics exports grew by 13.8%, the highest in the last 6 years. With robust growth, India aims to achieve electronics manufacturing worth US\$ 300 billion in electronics exports of US\$ 120 billion by F.Y. 2026.

By 2025, India's Consumer Electronics and Appliances Industry is predicted to be the fifth-largest in the world. The Indian Appliances and Consumer Electronics (ACE) market is predicted to nearly double in the next 3 years, reaching approximately US\$ 17.93 billion (Rs. 1.48 lakh crore) by 2025. The Indian appliances and consumer electronics industry stood at US\$ 9.84 billion in 2021 and is expected to more than double to reach Rs. 1.48 lakh crore (US\$ 21.18 billion) by 2025.

Electronics hardware production in the country stood at US\$ 87 billion in 2022. India's consumer electronics and home appliances market is set to grow by US\$ 2.3 billion between 2022 and 2027, registering a CAGR of 1.31%.

**INDIAN ECONOMY:**

The Indian electronics industry is one of the most rapidly growing industries worldwide. Electronic products have continuously impacted and shaped our lifestyles in the current digital era. The advent of technology has led to seamless activities and accelerated the digital revolution to the next level. Furthermore, demand for electronic devices is anticipated to rise steadily and continue to be a key economic driver worldwide. India has been one of the pioneers of the Local Goes Global movement. The country is focusing on developing its share in the global value chain, establishing export hubs in different states, constructing a high-quality and seamless supply chain, and increasing its overall market share in the electronics export market.

The Indian economy accounts for nearly 3.2% of the global economy, and its population is almost 3.2% of the total global population. The Government of India aspires to make the country a substantial manufacturing and design hub for electronics as part of its Aatmanirbhar Bharat scheme. The Digital India Programme has led to a paradigm transition towards digitization and e-governance in India. India's market share in the global electronics manufacturing industry increased to 3.6% in 2020 from 1.3% in 2012.

The Production Linked Incentive (PLI) scheme has effectively enticed international champions while giving an impetus to domestic manufacturers and creating national champions with global ambitions. India's electronic manufacturing industry has witnessed a sharp transition in the last few years with various initiatives to market electronics manufacturing. The government's lucrative plans and initiatives have led the electronic manufacturing industry to a high growth trajectory.

Additionally, the availability of skilled labour, large domestic market and low-cost labour have contributed to its sharp rise. Technology has been a crucial driver across industries, influencing all spheres of life. The electronics market share in India is on the rise. In the past few years, India has captured a sizeable market share of the electronics manufacturing ecosystem that drives the technology sector. For the country to be the global electronics production unit of the future and become a US\$ 5 trillion economy by 2025-26, it shall aim to be a

US\$ 1 trillion digital economy. Furthermore, special focus will be given to exports in order to accomplish the objectives.

The government aims to make electronics one of the top three export categories by 2025-26. A US\$ 1 trillion digital economy target is projected to boost demand for electronics, which may stand at around US\$ 180 billion by 2025-26. If India can accomplish the manufacturing goal of US\$ 300 billion for electronics, the local market requirement may be fully met by such manufacturing. The US\$ 300 billion target also requires US\$ 120 billion of exports in the global market. Global competitiveness with optimum scale would be pivotal in achieving the aforesaid targets. Adequate fiscal measures, along with policy measures, would help in meeting the objectives of NPE 2019.

### **INDIAN MOBILE & CONSUMER DURABLE INDUSTRY MARKET TRENDS IN 2025**

**Rise of Smart Devices:** Smart TVs, voice-controlled washing machines, IoT-enabled refrigerators, and AI-integrated air conditioners are becoming mainstream.

**Green Consumerism:** Consumers increasingly opt for **energy-efficient** and **eco-friendly appliances**, encouraged by BEE ratings and sustainability awareness.

**Affordable Premiumization:** Mid-range smartphones with high-end specs and affordable yet feature-rich appliances dominate consumer preferences.

**Rural Penetration:** With growing incomes and access, Tier III & rural India is becoming the new frontier for industry growth.

**Fintech-Driven EMI Purchases:** BNPL (Buy Now, Pay Later), zero-interest EMIs, and easy financing options make it easier for consumers to upgrade.

### **OPPORTUNITIES & THREATS**

**Digital India & BharatNet Initiatives:** Government efforts have expanded internet and electricity access to Tier II/III towns and rural areas, fueling demand for mobile phones and household appliances.

**5G Rollout:** As 5G services expand across major cities, high-speed connectivity boosts demand for 5G-enabled smartphones and smart home devices.

**Changing Consumer Behavior:** Aspirational middle-class consumers prefer smart, energy-efficient appliances, often opting for premium or feature-rich models.

**E-commerce & Omnichannel Retail:** Platforms like Amazon, Flipkart, and Reliance Digital drive online sales of mobiles and appliances, especially during festive periods.

**Local Manufacturing:** PLI (Production Linked Incentive) schemes have accelerated domestic manufacturing of mobiles and electronic goods, reducing import dependency and creating jobs.

### **THREATS**

**Price Volatility & Supply Chain Pressures:** Global chip shortages and logistics disruptions have occasionally impacted pricing and availability.

**Intense Competition:** Brands face shrinking margins due to fierce competition from both Indian and Chinese players, especially in mobile phones.

**E-waste Management:** With rising consumption, proper disposal and recycling of electronic waste is a growing environmental concern.

**Regulatory Compliance:** BIS standards, import duties, and labeling regulations require manufacturers to stay agile and compliant.

## **SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE**

Over the last few years, as a growth oriented company we have focused on diversifying into other consumer electronics products as we see a long run way for growth in sales of these products. This has helped us to only emerge as a multi-product brand but has also grow our profitability margins.

	Number of Stores	Quantity sales	
		Mobiles	Other electronics
<b>Owned Retail Stores</b>	233	22419	86607
<b>Franchised Stores</b>	4	5123	7412
<b>Total Stores</b>	237	27542	94019

The total revenue of the company stood at INR 444 Crores which was INR 415 Crores in previous year. The company now owns a total of 237 stores, out of which 233 are owned stores and 4 are franchised.

## **OUTLOOK**

The Indian mobile and consumer durable industry is poised for robust expansion over the next decade. The convergence of affordability, innovation, and government support positions India as not just a consumer hub but also a global manufacturing and export center for electronics.

Investments in R&D, backward integration, and sustainable practices will be critical to future-proofing the sector. As the rural market matures and smart technologies become ubiquitous, the next wave of growth will be inclusive, digital-first, and environmentally conscious.

The stores of our company have been spread over the Gujarat covering almost every area even the rural and the remote areas. Also, the company has set its footing in Maharashtra. Our decision to invest in this growth spree roots from the fact that we are bullish on the demand of various consumer electronic items as the work from home culture spreads.

The company strives to build a stronger brand image by offering attractive prices and loyalty programmes for its customers. It plans to expand its business in the country and enter into business agreements with various leading brands to upgrade customer experience.

## **RISKS AND CONCERNS**

Despite strong growth prospects, the Indian mobile and consumer durable industry in 2025 faces several challenges and risk factors that could impact its momentum. These include both external macroeconomic risks and internal operational concerns.

- **Supply Chain Vulnerabilities**

Global Component Dependency: A significant portion of semiconductors, display panels, lithium batteries, and electronic components are imported from China, South Korea, and Taiwan. Any geopolitical tension or logistical disruption can severely affect production timelines and costs.

Freight & Input Cost Volatility: Fluctuations in freight charges, customs duties, and raw material prices (e.g., metals, plastics) continue to pressure margins.

- **Geopolitical and Policy Risks**

Import Restrictions & Tariff Changes: Sudden changes in trade policies, anti-dumping duties, or import restrictions can impact supply chains and pricing strategies.

PLI Scheme Uncertainty: Delays in incentives, complex compliance norms, or changes in the scope of the Production Linked Incentive (PLI) schemes may discourage long-term investment.

- **Technological Obsolescence**

Fast-Changing Tech Cycles: Rapid innovation in smartphones, smart TVs, and home automation leads to shorter product life cycles and higher inventory risk.

Lag in Upgradation: Domestic players may struggle to keep up with global innovation, leading to a competitive disadvantage.

- **Cybersecurity and Data Privacy**

Increasing digitization and integration of smart features expose devices and customers to cyber threats, data breaches, and unauthorized surveillance, especially in IoT-enabled appliances and mobile devices. Non-compliance with India's Data Protection Laws (like the Digital Personal Data Protection Act, 2023) can lead to penalties and reputational damage.

- **Environmental and E-Waste Concerns**

The surge in device consumption leads to a massive rise in electronic waste (e-waste). Inadequate recycling infrastructure and poor consumer awareness pose sustainability and regulatory risks. Non-compliance with E-Waste Management Rules, 2022 can attract regulatory action and reputational harm.

- **Consumer Finance Risk**

The growing reliance on BNPL schemes, EMIs, and credit raises the risk of consumer loan defaults, especially in rural or low-income segments. An economic downturn or interest rate hike may dampen financing-led demand.

- **Competitive Pressure and Margin Erosion**

The industry is highly competitive with price wars among Indian, Chinese, and Korean brands. Rising customer expectations for better features at lower prices squeeze manufacturer and retailer profit margins.

- **Regulatory & Compliance Risk**

Stringent BIS certifications, energy rating norms, and environmental clearances add to compliance burden. Any non-compliance may lead to fines, import delays, or product recalls.

- **Infrastructure Gaps in Rural Areas**

While demand is rising in Tier 2-4 cities and rural regions, inadequate service infrastructure, power supply issues, and poor after-sales support continue to hinder market penetration.

- **Inflation and Consumer Sentiment**

Persistently high inflation or economic slowdown can reduce discretionary spending, especially on high-ticket durable items. A weak rupee could raise import costs, making products costlier for end consumers.

## **Conclusion**

Managing these risks requires proactive planning, diversification of supply chains, investment in R&D, strict regulatory compliance, and a sustainable business model. Companies that focus on resilience, innovation, and responsible growth will be better positioned to thrive in the dynamic Indian market of 2025.

## **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company has established a robust internal control system that is commensurate with the nature, size, and complexity of its business operations.

These controls are designed to ensure the orderly and efficient conduct of business, safeguarding of assets, prevention and detection of fraud and errors, accuracy and completeness of accounting records, and timely preparation of reliable financial information.

### **Key features of the internal control system**

#### **Financial Controls**

The Company follows a structured financial reporting system with defined policies and procedures.

All accounting entries are reviewed and approved by authorized personnel. Adequate checks and balances are in place to ensure compliance with applicable accounting standards and statutory regulations.

#### **Operational Controls**

Standard Operating Procedures (SOPs) are established across departments to streamline activities and reduce operational risk.

Periodic reviews and monitoring mechanisms are in place to assess performance against key performance indicators (KPIs).

#### **IT and System Controls**

The Company has implemented secured and integrated ERP systems to automate key business processes. Access controls, data encryption, user rights management, and cybersecurity protocols ensure the integrity and confidentiality of data.

#### **Compliance Controls**

The internal compliance team ensures adherence to applicable laws, rules, and regulations, including Companies Act, 2013, SEBI LODR Regulations, GST, etc.

Updates on regulatory changes are monitored regularly and incorporated into internal systems and procedures.

#### **Inventory and Asset Controls**

Regular physical verification of inventories and fixed assets is conducted. Reconciliations and variances, if any, are reviewed and addressed promptly.

#### **Internal Audit Function**

An independent internal audit team, assisted by external professionals where necessary, conducts periodic audits of business operations, financial records, and internal controls.

The audit findings and recommendations are reported directly to the Audit Committee and are acted upon by the management.

#### **Review and Oversight**

The adequacy and effectiveness of the internal control systems are periodically reviewed by the Audit Committee of the Board. The Committee evaluates the internal audit reports, monitors the implementation of audit recommendations, and ensures continuous improvement in the control environment.

#### **Management's Assurance**

Based on the reviews conducted by the internal audit team and feedback from external auditors, the management believes that the internal control systems in place are adequate and operating effectively. However, the Company remains committed to continuously strengthening its internal control framework in response to evolving business needs and emerging risks.

### **DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

In FY2025, the company's income from operations grew to INR 442 Crores, an increase of 7% from FY 2024.

The company managed to maintain its strong profitability due to a strong foundation and loyal consumer base. The company with better inventory management, diversified product portfolio, improving conversion rate and new multi-product outlets, realized economies of scale i.e., the company was able to increase its sales without much increase in input costs.

### MATERIAL DEVELOPMENTS IN HUMAN RESOURCES FONT INCLUDING NUMBER OF PEOPLE EMPLOYED

During the financial year 2024-25, the Company continued to focus on building a robust and future-ready human resources (HR) framework to support its strategic goals and business expansion. Recognizing that people are its most valuable asset, the Company undertook several initiatives to enhance employee engagement, productivity, and retention.

#### Key Human Resource Developments

##### Workforce Strength

As on March 31, 2025, the Company employed **153 permanent employees** across various departments including sales, marketing, supply chain, customer service, IT, finance, and administration.

##### Talent Acquisition and Retention

The Company implemented structured recruitment processes to attract skilled professionals, particularly in digital commerce, technical services, and operations.

Retention strategies, such as employee recognition programs, career path planning, and competitive compensation packages, were strengthened to reduce attrition.

##### Diversity and Inclusion

Efforts were made to increase diversity in hiring, particularly in customer service and technology teams.

The Company maintains a gender-inclusive workplace and adheres to all anti-discrimination and equal opportunity norms.

### DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

#### NET PROFIT MARGIN AND OPERATING PROFIT MARGIN

The company has been able to maintain a positive net profit margin and operating profit margin with an increasing trend.

#### DEBT EQUITY RATIO

The Debt equity ratio has decreased because the company has used less Overdraft and cash credit limit this year.

#### DEBTOR'S TURNOVER RATIO

**INVENTORY'S TURNOVER RATIO****INTEREST COVERAGE RATIO****CURRENT RATIO**

The Current Ratio has increased because the company has used less of its overdraft and cash credit limit this year, resulting in lower current liabilities, which in turn has increased the current ratio.

SECRETARIAL AUDIT REPORT  
FOR THE FINANCIAL YEAR ENDED 31.03.2025

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]*

To,  
The Members,  
**BHATIA COMMUNICATIONS & RETAIL (INDIA) LIMITED**  
CIN: L32109GJ2008PLC053336  
132, Dr. Ambedkar Shopping Centre, Ring Road,  
Surat Gujarat India 395002

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. Bhatia Communications & Retail (India) Limited**, (hereinafter called the "company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification on test check basis of the **M/s. Bhatia Communications & Retail (India) Limited's**, books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **M/s. Bhatia Communications & Retail (India) Limited** for the financial year ended on 31<sup>st</sup> March, 2025 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable during the year: -
  - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - d. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **the regulation is not applicable during the Financial Year 2024-25**
  - e. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **the regulation is not applicable during the Financial Year 2024-25**
  - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **the regulation is not applicable during the Financial Year 2024-25**
  - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **the regulation is not applicable during the Financial Year 2024-25** and
  - h. The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018; **the regulation is not applicable during the Financial Year 2024-25**
- vi. Other Laws Specifically Applicable to Company:
  - a. Income Tax Act, 1961

- b. Goods & Service Tax and other Indirect Taxes
- c. Labour Laws

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards with regard to the Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
- ii. The Listing Agreements entered into by the Company with BSE Limited, Stock Exchange of India and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year under review, the company has generally complied with the provisions of the act, rules, regulations and guidelines mentioned above subject to following observations:

- Due to typographical error, the number of independent directors attending the Stakeholders Relationship Committee meeting dated 29-05-2024 and 02-08-2024 was incorrectly mentioned as 3 instead of 2 in corporate governance report filed for quarter ended 30-09-2024.

**I further report that**, based on the information provided by the company, its officers and authorised representative during the conduct of the audit, and also on the review of reports by CS/CFO of the company, in my opinion, adequate systems and processes and control mechanism exist in the company to monitor and ensure compliance with applicable general laws.

**I further report that**, the compliance by the company of applicable financial laws, like direct and indirect and other acts as mentioned in point (vi), has not been reviewed in this audit since the same have been subject to review by statutory financial audit and other designated professionals.

**I further report that**, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors if any, that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, except those held on shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. The board meetings which have been conducted with a notice shorter than seven days, had the presence of all independent directors.

As per the minutes of the meetings duly recorded and signed by the chairman, the decisions of the board were unanimous and no dissenting views have been recorded.

**I further report that**, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**I further report that**, during the audit period, there were no specific events/actions in pursuance of the aforesaid laws, rules, regulations, etc. having a major bearing on the company's affairs except as mentioned below:

- The company has issued and allotted 1,55,00,000 warrants convertible into equity shares of face value of Re. 1/- each, at an issue price of Rs. 23.75/- each on preferential basis.

## STATEMENT OF RISK MANAGEMENT

At Bhatia's, effective risk management is integral to the success and sustainability of our operations. As a company engaged in the trading of electronic products across India, we operate in a dynamic and competitive environment that exposes us to various internal and external risks. We are committed to proactively identifying, assessing, and mitigating risks that could impact our strategic objectives, operations, reputation, financial position, and compliance obligations.

**Key Risk Areas and Mitigation Strategies****1. Market Risk**

The electronics trading industry is highly sensitive to market demand, pricing fluctuations, and rapid technological changes. We closely monitor market trends, maintain a diversified product portfolio, and build strong relationships with suppliers and customers to mitigate this risk.

**2. Supply Chain Risk**

Disruptions in the global and domestic supply chain due to geopolitical issues, logistics delays, or supplier failures can impact our operations. We maintain multiple sourcing channels, long-term vendor relationships, and adequate inventory levels to minimize this exposure.

**3. Regulatory and Compliance Risk**

The company operates in a regulated environment and is subject to various legal and compliance obligations under the Companies Act, SEBI laws, GST regulations, import-export laws, and electronic goods standards. We ensure strict adherence to applicable laws and maintain updated internal controls, supported by regular audits and legal reviews.

**4. Technological Obsolescence**

Given the fast pace of innovation in electronics, there is a risk of product obsolescence. To address this, we stay abreast of global trends, regularly update our product offerings, and work with reputed and innovative brands.

**5. Financial Risk**

Fluctuations in foreign exchange rates, credit defaults, and working capital constraints may affect profitability. We adopt prudent financial practices, including regular cash flow monitoring, credit risk assessments, and hedging mechanisms wherever necessary.

**6. Cybersecurity and Data Risk**

With increasing reliance on digital platforms for sales, procurement, and operations, there is a growing threat of cyberattacks and data breaches. We invest in robust IT infrastructure, cybersecurity measures, and staff training to safeguard data and ensure business continuity.

**7. Reputational Risk**

Any lapse in product quality, customer service, or ethical practices could impact the brand. We emphasize quality assurance, transparent dealings, and responsive customer service to protect and enhance our reputation.

**Risk Governance**

The Board of Directors, oversees the risk management framework. The management team is responsible for implementing risk mitigation plans, reviewing risk registers periodically, and ensuring that controls are embedded in day-to-day operations.

We continue to strengthen our risk culture and capabilities to ensure resilience and long-term value creation for all stakeholders.

To thrive and succeed in a dynamic business environment we realize the need to be agile and vigilant. It prompts us to devise an effective risk management framework is designed to identify potential threats and develop efficient mitigation strategies.

The following are the risks associated with our Company and have been identified by the management of the company.

## **INDEPENDENT AUDITOR'S REPORT**

### **TO THE MEMBERS OF BHATIA COMMUNICATIONS & RETAIL (INDIA) LIMITED**

#### **Report on the Audit of Standalone Financial Statements:**

##### **Opinion:**

We have audited the accompanying standalone Ind AS financial statements of **BHATIA COMMUNICATIONS & RETAIL (INDIA) LIMITED** ("The Company") which comprises the Balance Sheet as on 31st March 2025, the Statement of Profit and Loss (Including Other Comprehensive Income), the Statement of Change in Equity and the Cash Flow statement for the year then ended and notes to financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind As") and other accounting principles generally accepted in India, of the state of affairs of the company as at 31st March 2025 and its profit and total comprehensive income and change in equity and its cash flows for the year ended on that date.

##### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

##### **Branches and Franchise**

The company has many franchises and branches and the company receives advances/security deposit from its various franchises and the same is adjusted against the amount due from them as on the balance sheet date. The company also receives deposit from branch partner towards security deposit against stock provided to them and same is shown in balance sheet as long term liability.

### **Auditor's Response**

We get the complete list of franchise and branches from the management and check that there is no deviation in the security deposit received and stock provided to them. We also check the agreement made with the branch partner and check whether proper disclosure is made regarding advances received from branch partner and term and conditions of the agreement.

### **Management's Responsibility for the Standalone Financial Statements:**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; to design and perform audit procedures responsive to those risks; and to obtain audit evidence that is sufficient and appropriate to provide a basis for the auditor's opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are

based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economics decisions of a reasonably knowledgeable user of the financial statement may be influenced. We consider quantitative materiality and qualitative factor in (i) planning the scope of our audit work and in evaluating the result of our work and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements:**

1. As required by the Companies (Auditor's Report), Order, 2016 (order dated 29.03.2016), issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 (hereinafter referred to as 'order'), and on the basis of test check as we considered appropriate and according to information and explanation provided to us, we enclose in the Annexure "A" statement on the matters specified in paragraphs 3 and 4 of the said Order.
2. As required by section 143(3) of the Act, we report that:
  - 2.1 We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit
  - 2.2 In our opinion, proper books of account as required by law have been kept by the company as far as appears from our examination of those books.
  - 2.3 The Balance Sheet, Profit and Loss statement (Including Other Comprehensive Income), Cash Flow Statement and the statement of Change in Equity dealt with by this report are in agreement with the books of account.
  - 2.4 In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - 2.5 On the basis of written representations received from the directors, as on March 31, 2025, taken on record by the Board of directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director under section 164(2) of the Act
  - 2.6 With respect to the adequacy of financial controls over financial reporting of the company and the operative effectiveness of such controls, refer to our separate report in "Annexure B".
  - 2.7 With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
  - 2.8 With respect to the others matters to be included in the auditor's report in accordance with Rule 11 of the companies (audit and auditors) rules 2014, in our opinion and to the best of our information and according to the explanations given to us.
    - (i) There were no pending litigations which would impact the financial position of the company.
    - (ii) The company did not have any material foreseeable losses on long term contracts including derivative contracts.

- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection fund by the company.
- (iv)(i) As per management's representation, no funds other than disclosed by way of notes to accounts have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (ii) As per management's representation, There were no funds which have been received by the company from any person(s) or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (iii) The representation received from the company under sub-clause (i) and (ii) above does not contain any material mis-statement.
- (iv) The Board has recommended final dividend of Re. 0.01 per equity share having face value of Re. 1/- each.
- (v) Based on our examination carried out in accordance with the Implementation Guidance on Reporting on Audit Trail under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (Revised 2024 Edition) issued by the Institute of Chartered Accountants of India, which included test checks, we report that the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Our examination of the audit trail was in the context of an audit of financial statements carried out in accordance with the Standard of Auditing and only to the extent required by Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014. We have not carried out any audit or examination of the audit trail beyond the matters required by the aforesaid Rule 11(g) nor have we carried out any standalone audit or examination of the audit trail."

## **ANNEXURE - B TO THE AUDITORS' REPORT**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **BHATIA COMMUNICATIONS & RETAIL (INDIA) LIMITED** ("The Company") as of 31 March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or

timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTE 1**

**CORPORATE INFORMATION:**

Bhatia Communications & Retail (INDIA) Limited is a company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is engaged into retail and wholesale distribution business of mobile handsets, tablets, data-cards, mobile accessories, mobile related products, Home appliances and other electronic items. The company caters to the domestic markets. Equity Share of the Company are listed on Bombay Stock Exchange of India Limited.

**SIGNIFICANT ACCOUNTING POLICIES:**

**1. Basis of Preparation of Financial Statements:**

***a. Compliance with Ind AS***

The financial statements are prepared on the accrual basis of accounting and in accordance with the Indian Accounting Standards (hereinafter referred to as the Ind AS) as prescribed under section 133 of the Companies Act, 2013 and other relevant provisions of the Act.

***b. Historical cost convention***

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities that are measured at fair value,
- defined benefit plans - plan assets measured at fair value

**2. Summary of significant accounting policies**

***i. Current and non-current classification***

The assets and liabilities reported in the balance sheet are classified on a "current/non-current basis".

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting date, or
- Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

***ii. Fair value measurement***

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The fair value measurement of a non-financial asset takes into account market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Where required/appropriate, external valuers are involved.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) prices in active market for identical assets or liabilities.
- Level 2 (if level 1 feed is not available/appropriate) - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 (if level 1 and 2 feed is not available/appropriate) - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amount approximates fair value due to the short maturity of these instruments.

The Company recognizes transfers between levels of fair value hierarchy at the end of reporting period during which change has occurred.

**iii. Revenue Recognition :**

Income and expenditure are recognized and accounted on accrual basis as and when they are earned or incurred. Revenue from sales transaction is recognized as and when the significant risk and reward attached to ownership in the goods is transferred to the buyer. Revenue from sale of goods is recognized on completion of sale of goods and is recorded net of trade discount and rebates and GST is accounted for on exclusive accounting method which does not get included in Sales.

**iv. Income tax:**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

**Current income tax**

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The provision for current tax is made at the rate of tax as applicable for the income of the previous year as defined under the Income tax Act, 1961. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provision where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current tax assets and current tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

**Deferred tax**

Deferred tax is recognized using the Balance Sheet approach on temporary differences at the reporting date arising between the tax bases of assets and liabilities and their carrying amounts for the financial reporting purpose at the reporting date.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry forwards and unused tax credits could be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the reporting date.

**v. Impairment of Asset**

An impairment loss is charged to the Statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. During the year, there is no impairment of assets.

**vi. Cash & Cash Equivalents :**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are term deposit balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to in significant risk of changes in value

**vii. Inventories :**

Inventories are being valued as under : (As taken ,Valued and certified by the management)  
Traded Goods at Lower of Cost or Net realizable Value.

**viii. Financial instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

**Financial assets:**

**Classification**

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

**Initial recognition and measurement**

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Profit and Loss are expensed in the Statement of Profit and Loss.

**Subsequent measurement**

After initial recognition, financial assets are measured at:

Fair value (either through other comprehensive income or through Profit and Loss), or amortized cost.

**Debt instruments**

Debt instruments are subsequently measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through Profit and Loss ('FVTPL') till de-recognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

**Amortised cost:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost is recognized in the Statement of Profit and Loss when the asset is derecognized or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

**Fair Value Through Other Comprehensive Income (FVOCI):**

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

**Fair Value Through Profit and Loss (FVTPL):**

Assets that do not meet the criteria for amortized cost or FVOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL is recognized in Statement of Profit and Loss in the period in which it arises. Interest income from these financial assets is recognized in the Statement of Profit and Loss.

**Financial liabilities:****Initial recognition and measurement**

Financial liabilities are initially measured at its fair value plus or minus, in the case of a financial liability not at FVTPL, transaction costs that are directly attributable to the issue/origination of the financial liability.

**Subsequent measurement**

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit and loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in Statement of profit and loss. Any gain or loss on derecognition is also recognized in statement of Profit and Loss.

**De-recognition**

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

**ix. Property, Plant and Equipment (PPE)**

Items of Property, plant and equipment acquired or constructed are initially recognized at historical cost net of recoverable taxes, duties, trade discounts and rebates, less accumulated depreciation and impairment loss, if any. The historical cost of Property, plant and equipment comprises of its purchase price, borrowing costs and adjustment arising for exchange rate variations attributable to the assets, including any cost directly attributable to bringing the assets to their working condition for their intended use.

Capital Work-in-Progress represents Property, plant and equipment that are not ready for their intended use as at the reporting date.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The Company identifies and determines cost of each component/part of the plant and equipment separately, if the component/part has a cost which is significant to the total cost of the plant and equipment and has useful lives that is materially different from that of the remaining plant and equipment.

The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the year in which they are incurred.

Gains and losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

**Depreciation method**

Depreciation on fixed assets are provided on Straight line Method in accordance with requirements of Schedule II to the Companies Act, 2013.

**x.(i) Intangible Assets**

Intangible assets are stated at cost of acquisition net of recoverable taxes, trade discounts and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net changes on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit & loss when the asset is derecognized.

**(ii) Goodwill**

Goodwill represent the excess of consideration transferred over the fair value of the identifiable net assets acquired. Goodwill is measured at cost less accumulated impairment loss if any.

**xi. Earnings per Share :**

Basic earnings per share is calculated by dividing the net profit after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, etc. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**xii. Employee's Benefit :**

Provident Fund and ESIC : Provident fund and ESIC contributions are made as per defined scheme and the contribution is charged to statement of Profit & Loss A/c of the year when it becomes due. The company has no other obligation other than to contribute and deposit to respective authorities.

Short term employee benefits are recognized as an expense in the statement of Profit & Loss A/c for the year in which the related service is rendered.

Long term employee benefit are recognized as an expense in the statement of Profit & Loss A/c for the year in which the employee has rendered service.

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted. The present value of the obligation under such benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method. The obligation is measured at present values of estimated future cash flows. The discount rates used for determining the present value are based on the market yields on government securities as at the balance sheet date. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur directly in other comprehensive income.

**xiii. Cash flow statement :**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

**xiv. Loan, Advances & Security Deposit :**

Balances of Loans and Advances, Debtors, Creditor, Banks are subject to confirmation and reconciliation. The company receives advance/ security deviation from it's various franchisee(s) and the same is adjusted against the amount due from them as on the date of balance sheet. The Company also receives deposit from branch partner towards security deposit against stock provided to them and same is shown in balance sheet as other non current liability.

**xv. Accounting for Indirect Taxes (GST)**

The Company is recording sales and purchases on exclusive method and GST are not passed through the profit and Loss accounts of the company. The Effect of Indirect Taxes (GST) on Sales will be as under:

	<b>As on 31.03.2025</b>		<b>As on 31.03.2024</b>
	<b>( Amount in Lakhs)</b>		<b>( Amount in Lakhs)</b>

Net Sales	<u>40,596.63</u>	Net Sales	<u>38,737.74</u>

**xvi. Estimates and Assumptions**

The key assumptions concerning the future and other key sources of estimation at the reporting date, which may cause material adjustment to The areas involving critical estimates and judgements are:

- Useful lives of Property, plant and equipment and intangibles
- Measurement of defined benefit obligations
- Provision for inventories
- Measurement and likelihood of occurrence of provisions and contingencies
- Impairment of trade receivables
- Deferred Taxes

**Sensitivity Analysis Gratuity Plan**

Sensitivity Analysis: Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase rate. Effect of change in mortality rate is negligible. Please note that the sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated. The results of sensitivity analysis are given below:

Period	As on : 31-03-2025 (Amount in Rs.)
Defined Benefit Obligation (Base)	71,18,484 @ Salary Increase Rate : 5%, and discount rate :7%
Liability with x% increase in Discount Rate	63,64,067; x=1.00% [Change (11)% ]
Liability with x% decrease in Discount Rate	80,27,455; x=1.00% [Change 13% ]
Liability with x% increase in Salary Growth Rate	80,36,737; x=1.00% [Change 13% ]

**Fair value hierarchy**

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of following:

**Levels of Hierarchy:**

**Level 1:** Category includes financial assets and liabilities, that are measured in whole or in significant part by reference to published quoted price (unadjusted) in an active market.

**Level 2:** Category includes financial assets and liabilities measured using a valuation technique based on assumptions that are supported by prices from observable current market transactions. These include assets and liabilities for which pricing is obtained via pricing services, but where prices have not been determined in an active market, financial assets with fair values based on broker quotes and assets that are valued using the Company's own valuation models whereby the material assumptions are market observable. The majority of Company's over-the-counter derivatives and several other instruments not traded in active markets fall within this category

**Level 3:** Category includes financial assets and liabilities measured using valuation techniques based on non market observable inputs. This means that fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. However, the fair value measurement objective remains the same, that is, to estimate an exit price from the perspective of the Company. The main asset classes in this category are unlisted equity investments as well as unlisted funds.

**Note:** We have identified all our Financial assets and liabilities in **Level-3** as per fair value hierarchy.

**Financial ratios**

<b>Ratios</b>	<b>Methodology</b>	<b>Variance</b>	<b>As at 31.03.2025</b>	<b>As at 31.03.2024</b>

2 Debt Equity Ratio	Total debt/Shareholders Equity	-70.86%	0.09	0.32
3 Debt Service Coverage Ratio	Earning available for Debt Service/ Interest exp + Principal repayment	50.73%	20.28	13.45
4 Return On Equity Ratio	PAT-Preference Share dividend (if any)/Average Shareholders Fund**	-6.42%	0.18	0.19
5 Inventory Turnover Ratio	Cost of Goods Sold/Average inventory	-12.03%	6.84	7.77
6 Trade Receivables Turnover Ratio	Net Sales / Average Trade Receivable	7.93%	77.02	71.37
7 Trade Payables Turnover Ratio	Net Purchases/Average trade payable	-10.23%	31.32	34.89
8 Net Capital Turnover Ratio	Net Sales/ Average Working Capital	-8.14%	6.20	6.75
9 Net Profit Ratio	Net profit after tax/ Net Sales × 100	12.13%	3.12%	2.78%
10 Return On Capital Employed	Profit before Interest and Tax/Capital Employed × 100	-11.29%	18.29%	20.61%
11 Return On Investment	C.Y. -Interest on Loan & advances & FD/Monthly Average Balance of Loan/FD P.Y. - Profit before Interest and Tax/Capital Employed × 100	-60.06%	8.23%	20.61%

**Explanation for variances exceeding 25%**

- 1 The Current Ratio has increased because the company has used less of its overdraft and cash credit limit this year, resulting in lower current liabilities, which in turn has increased the current ratio.
- 2 The Debt equity ratio has decreased because the company has used less Overdraft and cash credit limit this year.
- 3 The Debt Service ratio has increased due to the company's higher earning in the current year and reduction in debt.
- 4 Return on investment has decreased on account of change in methodology in current year.
